## South African National Parks Announces Arrangement For Visitors To The Southern Part Of The Kruger National Park

The Director of the Kruger Park has just confirmed that the all the restcamps in the Southern part of the KNP are closed until further notice.

Visitors that have bookings over this period will be offered the opportunity to move to other camps. Please phone the South African National Park at (012) 343 9770 and ask for the Reservations Help Desk.

We regret any inconvenience, and hope that visitors will bear with us.
